President's Massage

It's our promise to provide the best in academia, cultural activity, games & sports and to develop personality to become the best person in global scenario to accept any challenging task. There is no alternative to Hard work, Discipline, Determination and Devotion in present worldwide financial constraint age. We try and inculcate the love of knowledge and learning among our students and develop skills to help them become responsible global citizens.

We believe in the holistic relevance of higher education to trigger higher thinking, make the students morally upright and self-reliant to shoulder the responsibility of their family, serve the society and bring honour to the country.

Principal's Message

It gives me immense pleasure in penning down my thoughts as the Principal of Adarsha Science, J. B. Arts and Birla Commerce Mahavidyalaya.

The college takes pride in being a place where students and faculties can pursue knowledge without boundaries. Academics is associated with various value-added programmes, which increases the employability of the students. We provide enough playfield to the students to explore their leadership qualities.

The NSS and NCC units of the college realise the objectives of reaching out to the society through a number of social activities.

The infrastructure of the college provides an aesthetic ambience to the campus and the well-equipped labs and library and the audio-video enabled classroom go a long way in grooming the students' minds towards the academics. We work with missionary zeal to accomplish the tenets enshrined in our vision.

The college is well established with number of feathers in its cap and marching steadily towards the zenith of success. We firmly believe that in coming years we shall be counted amongst the best at the global level as well.

Dr. Yogendra B. Gandole

Principal, Adarsha Science, J. B. Arts & Birla Commerce Mahavidyalaya, Dhamangaon Rly

Vision

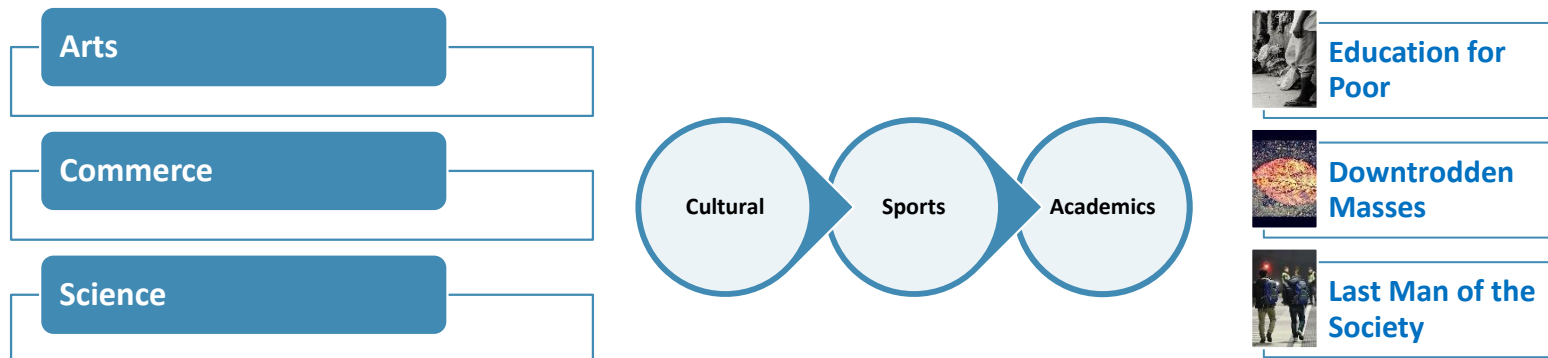

To expand progressively the horizons of academic activities to keep pace with the latest and astounding developments and innovations being made in every sphere of knowledge and emerge as an ideal and pre-eminent Educational Foundation having institutions imparting quality education in diverse fields, thereby providing a winning edge to the aspirants.

Mission

To fulfil the academic aspirations of our students, to install the importance of unrelenting efforts and ethical values in them, and see them transformed into the cultured, matured & learned youths having grown into the intellectual and discriminative faculties and developed the ability to cope with their perspicacious counterparts and meet the challenges of the rapidly changing and increasingly competitive world.

Objectives

- To impart quality education to the poor, downtrodden masses and to the last man of the Society.
- To impart in-depth knowledge and expertise through innovative methods of teaching and learning so as to create a pool of resourceful, self-motivated manpower.
- To provide an ideal academic atmosphere for the pursuit of excellence in higher education in science, commerce & arts.
- To develop the overall personality of students.
- To enable students to realize their full potential in academic, cultural & sporting pursuits.
- To foster a scientific temper and encourage students to adopt a rational approach to solving problems.

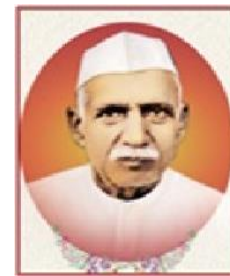

About College

The college was established in 1961, under the aegis of the Dhamangaon Education Society- the oldest Institution in Vidarbha region-catering to the needs of education from 1914. The Society, managed by dedicated local persons, has currently 14 institutions working under it consisting of 3 Balmandirs, 1 English Convent, Marathi & English Primary Schools, 2 High Schools, 2 Jr. colleges, a Polytechnic & Engineering College. A degree college with PG course and a Computer Institute, ADARSHA SCIENCE, JAIRAMDAS BHAGCHAND ARTS & BIRLA COMMERCE MAHAVIDYALAYA is one of them. In 1961, this college was started with Arts & Commerce faculties only. The science faculty was added to it in 1972. Presently this college is a multi-disciplinary one, with B.A., B.Com., (Eng. Medium/Marathi Medium) B.Sc., B.C.A., M.A. (Economics), M.Sc. (Electronics, Micro-Bio, Mathematics), M.Com. (Eng. Medium), M.C.M. & Ph.D. in Microbiology, Electronics & Botany as also Jr. college imparting Science, Arts & Commerce education. The College is a pioneer to start Microbiology & Computer education in the entire Vidarbha region from 1979 and 1987 respectively. Presently it has computer Science is one of the electives in the faculty of science as well as in the Commerce faculty & Information Technology (IT) as an elective subject in the Junior college level. A facility in Computer Centre is also available where various short-term courses are organized frequently. Besides this, the college also conducts certificate & Diploma courses. The college is always on its toes to see that the students are given maximum facilities and quality education. It is because of this policy and sincere efforts; many a student has achieved distinctions in the academic field. The Aim & Spirit of the college, besides imparting quality education, is to cater to the needs of the rural youth in developing their overall personality. The summer camps organized periodically are instrumental in arousing the spirit of nationality & secularism amongst them. The college organizes various cultural, games & sports activities and inspires its students to participate in essay/elocution competitions at Regional, State & National levels. Many students have represented the college in inter-university/state tournaments and have been awarded for their performance. Our students have brought laurels by fetching prizes, even topping the list, at National Level Essay Competition organized by Bhabha Atomic Research Centre, Mumbai during the last few years. The college has a spacious Health Centre building equipped with 12 station multi-gym and other fitness gears.

About Dhamangaon Education Society

D.E.S. was fortunate to work under the eminence and proficiency of Late Shri Laxminarayanji Agrawal, the former President and the acknowledged Architect.

His unremitting efforts and unrivalled contribution to the worthy cause of education enabled the Society to experience new heights of academic glory. He always believed in and nurtured the philosophy of accepting a child from the swinging cradle and returning it to the society in the form of a cultured youth only after its complete educational metamorphosis. With a view to materialize this concept, the Society has gradually expanded its hectic academic activities and opened institutions taking care of all stages of education right from pre-primary to post graduation and technical education. Thus, making a modest beginning with a small Middle School in its formative years, the Society over the years has assumed the proportion of a full-fledged educational complex. Presently, the Society through its network of 15 institutions has been making honest efforts to cater to the educational needs of about six thousand students of this region. It needs to be specially mentioned that the Sanskrit Vidyalaya run by the Society is striving for the promotion and teaching of Sanskrit which is believed to be the supreme source of Indian culture.

Having regard to the fact that education plays a key role in bringing up the social structure of the nation, Late Shri Shrinarayanji Agrawal, a yogic man by practice known for his prudence, unparalleled devotion and dedication and above all, his simplicity sowed the seed of Dhamangaon Education Society way back in 1914. He was inspired in this endeavour by his contemporaries, Late Shri Jamnalalji Bajaj and Late Shri Shrikrishnadasji Jaju. D.E.S. thus perhaps happens to be the oldest and pioneering institution in the Vidarbha region rendering yeoman's service to the cause of education in a small town of Dhamangaon and adjoining rural areas of Amravati district.

I am well familiar with the close association of so many years of Respected Shri Alsidasji Rathi alias Babuji with D.E.S., a fatherly figure, apart from being its immediate ex-President and now the senior executive member. He has always been a source of inspiration and guidance for us. His unrivalled contribution in the growth of the Society has experienced new heights. I shall ever hold him in high reverence and shall carry his debt of gratitude joyfully.

After the sad demise of Shri Laxminarayanji Agrawal on 9th June 1988, Shri Narayandasji Bhattad served the Society as its President from 1988 to 1991. During his Presidency, the Society in 1989 entered 75th year of its fruitful existence and therefore had the distinction to celebrate its Platinum Jubilee.

In November 1991, Shri Alsidasji Rathi, the then Secretary of the Society took over as its President and continued till November 2000. His ability to act decisively and readiness to work efficiently helped the Society to make great strides during his term of Presidency. He was mainly instrumental in providing sound financial base to the Society.

During 2000, the then President, Shri Alsidasji Rathi and the members of the Society unanimously decided with an earnest feeling to entrust its leadership to the youths. Consequent on this decision, Shri Sharadkumar Agrawal, a dynamic personality having intrinsic interest in the field of education along with his young executive associates, having been elected unopposed, assumed the reins of D.E.S. on 17th November 2000. Thus, following in the steps of their elders and cherishing the ethical values accepted by them, the young office bearers are determined to bring about the conspicuous progress of the institutions of the Society.

It is our prime objective to pursue excellence in our work by synergizing the efforts of all of us. There had been plenty of activities and ample to look forward to. I am confident that with the support and active co-operation of all, we shall be able to rise to the occasion to meet the future needs and challenges of the academic circle.

Though the students seeking admissions to the institutions of D.E.S. are mostly from rural background, their performance in various examinations on most of the occasions is encouraging and at times, even exemplary. Their participation in social, cultural, sports, literary and such other activities does have a qualitative aspect with a winning edge. A good number of students of the Society have brought laurels to their respective institutions by their participation in National and State level competitions. The Society enjoys the rare distinction of having teachers who are recipients of Rashtrapati and State Awards for their academic excellence. The Society has pioneered a few educational programmes and adopted healthy administrative practices in its institutions. Since 2003, the Society has instituted Excellence Awards for its employees on lines similar to those of Central and State Governments.

The Society has received from time-to-time generous donations from its well-wishers, patrons, philanthropic donors and promoters. The Society expresses its indebtedness to all of them for their munificence.

The high academic competence and trustworthy reputation earned by the Society need to be attributed to the tireless and conscientious efforts of great visionaries of the yester years. Their missionary zeal, enthusiasm and dedication to the cause of education are always an inspiration to all of us.

Management:**Dhamangaon Education Society Executive Committee (2021-2025)**

1	Adv. Rameshchandraji Chandak	President
2	Shri. Arvindkumarji Agrawal	Vice President
3	Adv. Ashishkumarji Rathi	Secretary
4	Dr. Asitji Pasari	Joint Secretary
5	Shri. Sharadkumarji Agrawal	Member
6	Shri. Prakashkumarji Rathi	Member
7	Dr. Ashokkumarji Saklecha	Member
8	Shri Shyamsundarji Agrawal	Member
9	Shri. Chandrashekharji Rathi	Member

13	Dr. Shri Pritamji Chandak	Member

Features of College

- Independent and spacious library with 30,068 Books.
- National Cadet Corps (NCC) and National Service Scheme (NSS) Unit.
- Facilities and Special guidance for domestic Sports (National and State Recognized).
- Various science related activities
- Well Equipped computer Labs.
- Updated audio-visual section
- Modern Fitness Centre
- Recognition Research Centre Lab for Botany, Microbiology and Electronics.
- Well Equipped English language laboratory.

College Level Activities

- College Annual Magazine - 'Gulmohor'
- Science Association • Literature Association • Commerce Association
- Special Guidance for Students on Various Competitive Examination.
- Educational/Industrial Tour.
- Anand Mela
- Commerce Week
- Organized Various competition for Students (Debate, Elocution, General Knowledge, Essays Writing Competition etc.)
- Special guidance for students who want to participate in academically important national, state level essays, oratory, and similar competitions.
- College "Youth Day", University "Youth Under Cultural Events and Sports Competition Festival"
- Organization of Blood donation camp since 1995 on the occasion of Vivekananda Jayanti.

CERTIFICATE / SKILL DEVELOPMENT COURSES

Skill Development Courses help the students to acquire the knowledge, skills, and experience required to identify options, explore alternatives and succeed in society. These courses finally prepare individuals for the changing workplace of the 21st century. The main focus of these courses is to provide hands-on training while educating the new generation with the specific aim of making them industry-ready.

Objective

The objective of introducing these career-oriented and skill development courses is to enable the students to get a Certificate in any of the career-oriented courses along with a conventional degree in Science / Arts / Commerce / BCA.

Career Prospects

Career-Oriented courses ensure job opportunities and employability of students. With these courses, a student can become an employee, an employer or a consultant or an entrepreneur. It is for the students to choose a course for their career prospects and bright future.
